

INTRODUCING A UNIQUE NEW CONCEPT

• **NO WIND - NO PAY.** •

AT KITE QUARTERS IN LANGEBAAN

*At Kite Quarters, we believe that every kite holiday hosted must be as memorable as possible. We have therefore designed this exclusive policy with our Kitesurfing guests in mind.*

**No Wind-No Pay Policy dictates that kitesurfer bookings may be cancelled 24 hours prior to the confirmed check-in date with no loss of deposit, should the wind be forecasted at less than 13 knots for the day of arrival.**

\*Standard cancellation terms will apply should the wind be forecasted at 14 knots or above. The above policy does not apply to the peak periods between Christmas and New Years, as well as Easter and certain long weekends or during specific special events.
